

Embrace the Blue Manifesto

The Prysmian Group blue is the colour of progress. From blue-sky thinking, to a blueprint for tomorrow, we drive technology forward.

As market leaders, we're transforming the energy and telecoms industry, to enable human achievement anywhere. Innovative technologies with the power to shape the world. Smarter energy solutions. And ideas that drive the digital economy.

The future's bright. Not just for the communities we serve, but for the thousands of Prysmian Group team members who help make it happen.

Sign up for one of our recruitment programs and join them.

Make It invites engineers to join our global design and manufacturing team, working on some of the world's most exciting projects. While Sell It gives talented sales professionals the chance to apply their skills to a diverse range of innovative global partnerships.

They share the best of what Prysmian Group has to offer: state of the art products, backed up by service that's second to none.

So embrace the blue. Together, let's create a better tomorrow.
